WILLIAM A SEIFERT, JR

NEWEST LIFE MEEMBER

At the annual meeting a new ESPHS life member was installed. In the words of the presentation:

The member we are honoring today has been an influential and active member of the Society since October, 1967. He served as Vice President from May 1973 until May 1975 when he was elected President. He served with distinction in this office for two terms of two years each, then served as a Director until 1985.

Since 1971 he has compiled, updated, edited, typed and distributed the Society's membership list and details of collecting interests. He has been chairman of the Publications Committee since 1979 and, in addition to contributing himself several articles to the Bulletin, has been the guiding hand in the publication of our Wayne County Postal History, the definitive Manuscript Post Offices of New York State and the Star Cancells of New York State, edited by David Proulx.

After all this, it would seem he had no time for extras, but still has served on the Finance Committee and beginning early on was the host for many regional meetings until retirement and since then has continued to arrange our winter regional meetings.

It is with greatfull thanks that the Empire State Postal History Society, by unanimous approval of the Board of Directors, award its Life Membership and this this plaque to William A Seifert, Jr.

FOPEX 88

The semi-annual meeting of the ESPHS, which is usually held the first Sunday of October, will be conducted on Saturday, September 24, 1988 at FOPEX 88 in Albany, NY.

FOPEX is sponsored by the Fort Orange Stamp Club of Albany. A meeting room will be available for the Society to hold its meeting. Also, an auction will be conducted in the same room, probably at the close of the show on September 24th.

We invite all our members to participate in the semi-annual meeting and in FOPEX.

The show would be a wonderful showcase for your NYS postal history exhibits. A prospectus may be obtained by writing to the ESPHS.

The auction is sure to have a variety of material of interest to our members.

In place of our traditional mini-bourse at Karrat's, members may attend the bourse at FOPEX which will feature several PH dealers.

We hope that many members from the eastern and southern sections of NY can attend who may normally find the trip to Utica to be too far. As more details are known about the exact times and schedules, we will report them in the Bulletin.

ANNUAL REPORT OF THE SECRETARY FOR
1987-1988

The 1987-88 year of the Empire State Postal History Society was characterized by chronic problems with respect to having too few members actively participating in Society affairs. As a result, many projects went undone and the Bulletin was temporarily pared down to a minimal publication primarily consisting of Society news and the auction.

The Society is under-going a limited transformation as the older leadership is phasing down its role, and the void is only being filled slowly and only in part. Aside from being my report to the membership, this is an appeal for capable members to increase their active participation through assumption of small responsibilities.

Membership

The 1987-88 year started with 204 members in good standing. Adjustments to this total occurred as follows:

New members	13
Resignations	3
Deaths	1
Expulsions	12
Reinstatements	1

The net change was a decrease of two members for a new total enrollment of 202. Our membership plateau of 200 was maintained for yet another year.

Meetings

During 1987-88, the annual and semi-annual meetings were held on May 3, 1987 and October 4, 1987 respectively. Both meetings of the general membership were held at Karrat's Restaurant in New Hartford, N.Y.

The secretary does not know if any regional meetings definitely occurred during the year. However, plans for a regional meeting in East Aurora on June 21, 1987 were announced, and we assume that this was held as planned.

An Executive Board meeting was held in New Hartford on April 10, 1988.

The semi-annual meeting in October, 1987 was marred by the freakish, severe snow storm that devastated the eastern part of the state and New England. A contingent from the east was unable to travel to the meeting in spite of plans to do so.

The Society continues to offer support for regional meetings by providing a budget appropriation to cover the cost of postage, rent and

Publications

The Bulletin was published on its usual bimonthly schedule. However, almost all the feature articles were omitted because of the lack of an editor. Editor Haefeli announced in the August, 1987 Bulletin that he was resigning that position, and the period since then has seen a protracted effort to reach a solution to this problem as no individual has stepped forward to take the job.

A plan to modify the Bulletin publication procedure has evolved, and the E/B has given its assent to trying it out. In general, this will include the division of duties into smaller editorships, and the use of paid typists.

An accomplishment during the year was the preparation and distribution of a new book by Dave Proulx entitled "Star Cancells of New York State." This book was years in the making, and came out amid general praise. The Society gratefully acknowledges the financial support given this project by Mrs Royden Lounsbery. Publishing and distribution costs were totally provided by her bequest to the Society in memory of her late husband, an active and dedicated collector of N.Y.S. postal history. The Society also thanks Dave Proulx for his considerable effort in compiling the book.

The Society has received another manuscript for a book on Otsego County postal history. Plans are to publish this very promising tome during the 1988-89 year.

Awards

Two E.S.P.H.S. silver awards were presented during the year. The first of these went to Dave Proulx for his exhibit at SYRAPEX '87 entitled "Manlius Post Office Stampless Cover Markings." The second went to Dr. John Ludin at CINCOPEX '87 for an exhibit entitled "Early Prepaid Postal Covers 1846-69 of Oneida County."

In addition, E.S.P.H.S. certificates were presented at both of these shows to other eligible exhibits. No other shows availed themselves of our awards during the year.

A new awards and show support chairman is needed for the upcoming year. We thank Ken deLisle for handling this task for the last several years.

Elections

The annual meeting on May 3, 1987 included an election for all Society officers and three of its directors. Elected were:

President - Jack Haefeli
Vice President - Nicholas Todaro
Secretary-Treasurer - Maris Tirums
Directors - Clifford Tuttle
Richard Hedley
Henry Chlanda

Nominations for three directors were obtained for the next annual meeting on May 1, 1988. Nominated are Emma Koberg, Dave Proulx and Martin Margulis.

NET GAIN DURING 1987-1988 \$ 1.62

Notes to financial report:

The small net gain during the year compares with a budgeted deficit of \$740.00.

The Society had set out to use the Roy Lounsbury bequest to publish the NYS Star Cancellation book and give each member a copy without charge. This initiative cost the Society \$496.83. This cost was defrayed through sales of the book to non-members.

The certificates of deposit were renewed during the year for 18 months at 7.75% interest.

A supply of the NYS Postal History book by Smith & Kay was replenished resulting in inventory in place of cash. This was an unbudgeted expense.

Dues collection for 1988-89 has just begun, and most receipts will be shown in the 1988-89 ledger. The budget had shown income of \$350.00 from this revenue source.
