POSTAL HISTORY  
SOCIETY**

# **BULLETIN**

Volume No. 25 / Number 3

June 1993

## **THE PRESIDENT'S CORNER**

Summer is coming shortly, a time when we tend to get out and do things, but we should keep up our postal history interests during this time. Last year we did ourselves proud with exhibits at CINCOPEX. This year we should make an effort to continue with more exhibits. This is a great way to build membership. If you have never exhibited before, you should give it a try - we will be glad to help you. If you need a prospectus for CINCOPEX '93, write to me and I'll send you one.

Another good way to help us build our membership is to talk your friends into joining. If you need applications, write to us and we will send them.

Henry Chlanda has agreed to put together a supplement to his manuscript cancellation book, and in another year or so, to put out a new edition. To help him I am asking you to send him information on any unlisted items you may have. This would be a big help.

I hope you will all have a profitable summer with lots of good finds.

Sincerely,  
*Lou Call*

### **'93 - '94 DUES are due!!**

The 1993-1994 Annual Society dues are now due. A separate "Dues Notice Form" is enclosed with this issue of the ESPHS Bulletin. Please fill it in and mail it, along with your check for \$10.00, to the Treasurer:

### **Urgent Appeal For Auction Lots**

*By George Bernadt, Auction Manager*

We are down to 24 saleable items for our next auction!!

I will fill in as many lots as possible from my own collection to keep our sales going, but that well also will soon run dry.

So unless those who have promised to send us good, saleable items do so, and material is received from others who would like to see our very popular auctions continue, same will die!!

Our heart-felt thanks to you who have supported our sales for the past 20 odd years. Please continue to do so, and urge your fellow members to cooperate.

A glance at past auctions will quickly show you what draws bids. Briefly, better stampless (no culls please), classic period stamped covers, fancy cancels, advertising covers, unusual postal history items of all kinds including modern, etc., etc.

Damaged and ultra common Bank Note issues, etc., do not sell. Please be reasonably selective.

Many of you, I know, are willing to send stuff but keep putting it off! Please, your procrastination is starving us!! PLEASE, PLEASE, ACT NOW!!

### **Proposed Constitution and By-Law Changes**

Your Board of Directors has recommended two changes to the Constitution and By-Laws.

The first recommendation is that the By-Laws be changed to give the Finance Committee more latitude in investing society funds in other places than a bank. When the By-Laws were first written, a regular bank was the usual place to keep money, and it provided a reasonable rate of interest. Today there are many other reliable, safe places to deposit funds for a more reasonable rate of return. The operating funds would still be kept in a regular bank, but a portion of our funds that we do not need immediate access to, and rely on for interest, could be placed in other accredited financial institutions by the Treasurer with the approval of the Finance Committee.

## Editor's Message

Time for the June '93 Bulletin. Hope you are getting used to getting them right on time, three months apart! This is due in no small measure to the great work of Ray Coco and all his computer gadgets. George Bernadt always has his next auction ready on time, and now on a disk for us. Maris Tirums was always prompt with his contributions, and has set high standards for our new Secretary-Treasurer John Lange to follow.

The directors and the membership at large are always quick to criticize and find fault, so maybe it would be in order to give some of these fellows a pat on the back and let them know you appreciate it when things go smoothly.

As you know we have a new president and we all wish him well. Perhaps you have noticed that when the last three presidents were replaced, they were also eliminated from the board of directors when the new person got in. This seems to be a waste of talent by the Society, and not much recognition for the hard work they put in. I suspect that they each wished they could have accomplished more, but I also suspect they felt they could continue to contribute to the running of the Society. Does anyone else feel this way?

Martin and David Margulis will no longer be responsible for publishing the Journal, which is scheduled to come out twice a year. They did a wonderful job during the years that they produced it. The scope and quality was taken to new heights and it will be very hard to meet their standards in any future issues. Drop them a line or call and let them know you appreciated their hard work.

Martin Margulis has consented to remain as "editor" and will accept items for publication in the Journal, and help you in getting it to publishable form. Martin is good at this and it will be a big help in keeping our Journal the top notch publication it is. The computer work, printing, and all other publishing work will be handled by the Publications Committee in Albany.

Support your officers, help when and where you can. No one can agree with everything all the time, but in a volunteer organization it is helpful to accent the positive and eliminate the negative. Good reading...good collecting...and let me know if you have any suggestions or things to share!

**Jack Haefeli, editor**

## MINUTES OF THE ANNUAL MEETING OF THE EMPIRE STATE POSTAL HISTORY SOCIETY OF MAY 2, 1993

The annual meeting of the Empire State Postal History Society was called to order by Vice President Bob Harris at 1:38 PM. The meeting was held at Karrat's Restaurant in New Hartford, NY. Approximately 25 members and guests were in attendance.

It was noted that Karrat's had been redecorated since the Society last held a meeting there, and the meeting room was well lit and more pleasant as a result.

Charlie Edwards, Chairman of the Nominating Committee, presented the slate of candidates. No nominations had been received from the membership at large by the March 20, 1993 due date, so the Nominating Committee's slate went unopposed. The nominees were:

President - *Dr. Louis T. Call*

Vice President - *Stephen Matte*

Secretary-Treasurer - *John Lange*

Directors - *Charles Edwards,*

*Gerald Wiley, Richard Lohrman*

[continued on next page]

**ANNUAL MEETING MINUTES** [con'd]

A motion was made and seconded that the Secretary cast a single ballot in favor of the slate of nominees. The motion was carried, and the ballot was symbolically cast. Thus the Society elected a new cast of officers.

For purposes of continuity, and with the tacit approval of the new officers, the out-going officers continued to preside over the meeting. Bob Harris announced that the Executive Board, at its meeting that morning, appointed William Hart and Raymond Coco to fill the Directorship vacancies created by the election of John Lange to be Secretary-Treasurer and the deletion of Dave Proulx from membership for nonpayment of dues.

It was also announced that the editorship of the Society's postal history Journal would be assumed by Jack Haefeli. Jack stated his intention to edit and publish two editions of the Journal during the 1993-94 ESPHS year.

Out-going Secretary-Treasurer Maris Tirums gave a financial report for 1992-93. The Society gained \$1502.69 during the year that ended on April 30, 1993. The full financial report is shown elsewhere in this edition of the Bulletin. Tirums also presented the budget for 1993-94. This budget projects a deficit of \$790 for the up-coming year. The budget was approved by the Executive Board that morning. It too is shown elsewhere in this edition of the Bulletin.

The out-going Secretary also presented membership statistics which show that the ESPHS currently has approximately 215 members. The expulsion of almost 30 members for nonpayment of dues last year was briefly discussed as this number was higher than normal.

Alan Parsons graciously complimented the out-going Secretary-Treasurer for his efforts during the preceding ten years in that position.

The ESPHS delegates to the Federation of Central New York Philatelic Societies are Bob Harris and Lou Call, and both of these members continue their role in the good graces of the Federation. Call recounted the details of the Federation meeting which took place at ROPEX '93 in Rochester in March. A union between the Federation and the Niagara Frontier federation was discussed at that meeting, and while Lou felt it was a useful proposal, the consensus at the Federation meeting was opposed to a merger. Call said how he was determined to make the presence of the ESPHS in western New York better felt.

Jack Haefeli stated that the ESPHS joined the Federation partly to take advantage of the publicity available through the pages of the Stamp Insider, and asked whether the new President intended to submit information to the Insider for publication in this monthly journal. Lou Call indicated that he planned to take full advantage of this avenue for publicity.

It was announced that the Executive Board approved two resolutions for amending the by-laws, and that notice of these amendments will be presented in upcoming issues of the Bulletin. The proposed amendments would: 1. provide more latitude for the Treasurer to invest the Society's funds in other places besides a bank; and 2. revise the by-laws to make the language therein gender neutral.

It was suggested that the Society seek ways to wisely spend some of its funds for the betterment of NYS postal history. The Executive Board will take this suggestion up at future meetings.

John Azarkevich explained how he had tried to organize an eastern regional meeting only to have the "worst blizzard of the century" spoil the plans. He asked whether the members were interested in having such a meeting rescheduled, perhaps during this summer. The response was generally positive.

David Przepiora stated how the western regional meetings had fallen off somewhat, but that the members in that area still meet occasionally. It was thought that such a meeting could be held in conjunction with philatelic exhibitions that are held in the Buffalo area.

John Lange displayed and described two types of magnifiers which he could arrange to obtain for anyone interested through professional optometry suppliers.

Maris Tirums offered for sale several plate number coil strips of five. These belong to the Society, and were excess postage from mailing the Journal.

The question was asked about where new information about NYS star cancellations and county and postmaster cancellations should be sent since Dave Proulx, author of the two ESPHS books on these subjects, was no longer a member. This is another subject that the Executive Board will take up at its next meeting.

John Azarkevich suggested that the Society should embark upon more publication projects partly because the sale of books and studies often becomes a profitable activity for philatelic organizations.

The annual meeting was adjourned at 2:07 PM.

Respectfully submitted,  
*Maris Tirums*

## Constitution and By-Law Changes

[con'd from page 1]

Therefore it is proposed that the portion of article 6, section 4 of the By-Laws which now reads "...and shall keep such moneys (beyond a petty cash fund not to exceed \$10.00) in a bank..." shall be changed from "a bank" to "an accredited financial institution".

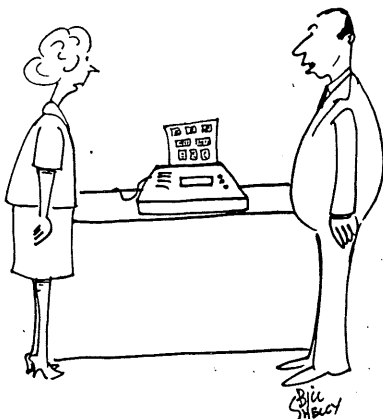

The other change is really quite simple and something that many organizations are in the process of doing. That is to change the reading of the entire Constitution and By-Laws to be "gender neutral". Therefore every place where such words as "he" or "his" etc. are used, some other word will be used which does not indicate a gender. Alan Parsons, who has had some experience with this, is rewriting the Constitution and By-Laws to reflect these changes. These changes will not alter the intent of the Constitution & By-Laws in any way except to eliminate gender.

Both of these amendments are reasonable, responsible, and needed at this time. Your Directors and Treasurer all urge you to vote "yes" for both these changes.

Article 6 of the Constitution provides that the Constitution and By-Laws may be amended at any regular or special meeting of the Society by a two-thirds affirmative vote of the membership casting ballots, provided notice of the proposed change or changes shall have been given to all members in good standing at least thirty days prior to such meeting. The membership shall have the privilege of casting ballots for such amendments by mail.

This serves as the 30 day notice prior to the semi annual meeting to take place on the first Sunday in October. (Details of the place, time of day, etc. will be provided in the September Bulletin.) Members wishing to vote by mail shall mail their ballot, on any paper and in any format, to the Secretary so that he receives it prior to the semi annual meeting.

**John A Lange, Secretary**

"Can you believe it...I order stamps from a company and they Fax them to me."

## ESPHS PUBLICATIONS

All the publications advertised in the last issue of the Bulletin are still available.

The big day is just around the corner! George Bernadt has completed the first edition of his NYS stampless cover catalog. It is expected to be offered to the membership in the next issue of the Bulletin. George has done a wonderful job, and the format will accommodate the many changes that will come to light once it is published.

The publication committee is expecting to print at least two more compilations of NYS postal history in the near future. The reprinting of out of print items is also more likely, now that much cheaper printing methods are available. Of course, we welcome any other contribution that you might have in mind.
