MASTER SUPPLEMENT DUE SOON!

You still have time to include new data in the upcoming supplement to the Manuscript book prior to publication. A copy of the 1973 (2nd edition) manuscript work is still needed (to borrow) for the database. PLEASE CHECK YOUR COVERS AND SEND DATA TO:

DOUGLAS PENWELL
P.O. BOX 3525
GLENDALE, AZ 85311-3525

NEW PROJECT IDEA

Please consider doing a monograph on your county(ies) of interest if you haven't already done so. Eventually, it would be a great reference to collect all the cancel tracings into one work of the whole state. Refer to several previously published works for examples. One classy example is Dorothy Fielder's Otsego County, but you need not be that elaborate. We can get the ball rolling by assigning cancel types/numbers to each of the basic types of cancels used in New York state. Then the catalog of cancels for the entire state can illustrate just one of each type. Is anyone interested in starting such a project? Write to Doug Penwell at the above address.

MANLIUS, NY

I am looking for any covers or any documents relative to Robert Wilson, who was the postmaster at Manlius, New York from 1803 to 1811, when he died. Possibly his wife, Amelia, may have taken over for a short time after his death. I am looking for any free franked letters from him or his wife, and any and all that is relative to Manlius and him prior to 1812
