Volume 35 Number 4

March 2003

PRESIDENT'S MESSAGE:

Come One, Come All!!
Free coffee and pastries!!
Good company and cover hunting!!

Leave the cares of the world behind for a day in Canastota, NY, Sunday, May 4, 9:30 a.m. to 3 p.m., at Graziano's Casa Mia Restaurant, located just off exit 34 of the NY Thruway. Be there for the 2003 Society annual meeting!

We've reserved a room with plenty of space, light and tables for those bringing covers for sale or trade, in effect, a mini-bourse without table fees. Members are encouraged to bring guests as well as covers.

Coffee and pastries will be provided in the morning; the business meeting is tentatively scheduled for 11:15 a.m., followed by a dutch-treat lunch ordered off the menu.

The socializing and cover hunting begins at 9:30 a.m.

After leaving the exit 34 toll booth, take a left at the end of the access road, onto N. Peterborough St., and drive 100 feet; the Casa Mia Restaurant is on the right, next to the Mobil station. You can't miss it, and there's plenty of parking.

Come prepared with ideas and suggestions for helping the Society grow and prosper.
Plan to attend!!

Alan Parsons

Oriskany Falls, New York, is a small town in southwestern Oneida County. It was once a stop on the Utica Branch of the New York, Ontario and Western Railway. The area is quite rural, even today, with dairy farming being prominent in the local economy. A large quarrying operation, producing crushed stone, gravel, sand and blacktop has been based in Oriskany Falls for many years.

The Post Office has been open since February 2, 1829. The above cover of August 8, 1882 shows a horseshoe date stamp. This mark was commonly used as a receiving mark on the back of envelopes by this office. It is occasionally, though rarely, seen as a postmark as above.

The above was submitted by Joe Rowbottom and appeared in The Stamp Insider

Thank You, Martin!!

Martin Margulis, after 15 years of service to the Society, most of it as editor of the *Bulletin* and then the *Journal*, will retire after editing the Spring 2003 *Journal*, to be succeeded by ESPHS Board member Drew Nicholson.

Martin was elected to the Society Board in May 1988. At the time he lived in the Bronx. By the end of '88 he was editor of the *Bulletin*, then the Society's only periodic publication, succeeding Jack Haefli. The *Bulletin* combined Society business with postal history articles and was published quarterly for four years under Martin's editorship.

The Journal of New York State Postal History was born with a 60-page issue in 1962, on the 25th birthday of the Society, with Martin as its editor. The *Bulletin* continued as a quarterly publication under separate editorship (Glenn Estus became editor with the September 1994 issue).

In addition to his editorial duties Martin served two-year terms as Vice-President (1989-91) and as President (1991-93) of the Society. He would be the first to admit he received a lot of help from his son, David, in the publication of the *Bulletin* and *Journal* during the time he took a leadership role in the Society.

To date, the *Journal*, in its present form, has had only one editor, Martin Margulis. Although it hasn't always attained its goal of twice-yearly publication, it has, in fact, managed to survive for 11 years as a respectable journal of New York postal history. For this, and for his other service, the Society owes Martin a huge vote of thanks. We hope he continues active with his interest in postal history, particularly as an exhibitor (*editor's note: I notice that Martin will be exhibiting at ROPEX in June*) and as a contributor to the *Journal* and *Bulletin*.

Martin's successor, Drew Nicholson, will take over editorship of the *Journal* with the Fall issue this year. Drew, a resident of Pawling, NY, has been a director of the society since May 2000 and a stamp collector for over 50 years, primarily Germany.

Drew's interest in postal history began about 12 years ago and consists of Dutchess County and the cities of Oneonta and Yonkers in New York, and Bellefonte and State College in Pennsylvania (he's an active supporter of the APS). He's enjoying retirement after 35 years of teaching junior high social studies and now works part time with Walden NY stamp dealer Larry Winum.

Drew attends (with Winum) most New York shows outside New York City and hopes Society members who don't already know him will visit his table and introduce themselves, especially if they have articles in process, or ready, for publication in the *Journal*. Even if it is only an *idea* for an article, Drew would like to hear from you, and help you turn the idea into a finished manuscript.

Just as Martin Margulis before him, Drew Nicholson will need the active support of Society members submitting articles, exhibits and other items related to NY postal history for him to succeed as editor of the *Journal*. He can be reached at 18 Valley Dr., Pawling, NY 12564-1140; telephone (845) 855-3387. Please let him hear from you!

INVITATIONS ISSUED FOR MULTI-STATE POSTAL HISTORY COMPETITION AT ROPEX; EXHIBITORS NEEDED FROM EMPIRE STATE MEMBERSHIP

Invitations have been mailed to the State postal history societies of New Jersey, Pennsylvania, Vermont and Massachusetts to join Empire State Postal History Society in a postal history exhibiting competition at ROPEX 2003 in Webster, NY June 20-22.

If there are active State postal history societies in Maine, Rhode Island and Connecticut, they, too, will be invited. The letter to the Vermont Society brought back names of contacts for the other New England groups.

The ROPEX competition continues what began at NOJEX last year between the postal history societies of New Jersey, Pennsylvania and New York, hosted by the New Jersey Postal History Society.

Empire State will be the host for the ROPEX 2003 competition, and provide awards for the best multi-frame and single-frame entries in the competition. Each individual society is encouraged to present its own awards as well. Empire State will be doing this.

There are no plans for awards to the Societies as such for the highest medal scores, most exhibitors, most frames, etc. Each Society will be entitled to whatever claim it feels it can justify.

As was the case at NOJEX, there will be a dutch-treat dinner at a local restaurant Friday evening for members of the postal history societies participating at ROPEX and a seminar/discussion session on the second day of the show to exchange information and ideas and give thought to the future of state postal history societies.

The joint meeting of the postal history societies at ROPEX is scheduled for 11 a.m. Saturday, June 21, in Room 1 of the Webster Community Field House, the ROPEX show site.

Webster, NY is a suburb of Rochester on the northeast side of the city and ROPEX is the annual WSP show sponsored by the Rochester Philatelic Association. ROPEX 2003 will be the last qualifying show for the year's Champion of Champions competition at StampShow in August.

There are still frames to be filled at ROPEX 2003 and there is still a critical need for NY postal history exhibitors, multi-frame or single-frame, for the state postal history exhibiting competition. If you haven't already entered, please do so as soon as possible. A copy of the Exhibitor Prospectus and Exhibit Application Form is included with the Bulletin. Please use it!!!

(Editor's Note: You'd better hurry if you plan on exhibiting. As of March 3, 2003, 183 frames are allocated out of a maximum of 240 available.

You can see who the other exhibitors are by going to <http://www.geocities.com/rpastamps/ropex.html#EX> on the world wide web.)

**Minutes of Regional Meeting, Feb. 16, 2003
Cover Mania #5 at the Albany, NY Quality Inn**

Present: George Bernadt, John Cali, Elwyn Doubleday, Bill Hart, Larry Laliberte, John Lange, John Nunes, Alan Parsons and guest Ron Traino.

John Nunes, the ESPHS auction manager gave a brief report on the December Bulletin auction. It was a success; the gross receipts were about \$950. Alan Parsons and John Nunes both noted that the use of cover images was a big incentive for bids. There is a voracious appetite for postal history items, so send your surplus to John.

A complimentary article regarding the ESPHS Journal is in the Feb. 14 issue of Mekeel's-Stamps and was noted to those present.

Copies of the new spiral bound edition of Charles Sweeting's Oswego County, NY Postal History book were shown (one was purchased). The list price is \$30 with a discounted price of \$24 including P&H.

Nominations for the May 4 elections were given to the nominations chairman, John Cali.

Elwyn Doubleday gave a fascinating short talk on some very early western NY stampless covers he has acquired. His intention is to write an article for the Journal with a tentative title of "Western expansion of the Postal Offices in Upstate NY."

Alan Parsons drew attention to the forthcoming competition for postal history entries at the June ROPEX. He has contacted (or will contact) several other state societies in addition to Pennsylvania and New Jersey which were our competitors at the fall NOJEX. Alan appealed for more ESPHS entries.

John Lange had two items: a) John is considering introducing a proposal at our annual meeting to offer 5 years for the price of four years dues, the objective being to avoid the "reminder letters" and make it less stressful for our forgetful, procrastinating members. Comment from the Finance Committee will be sought. b) Two 1797 stampless covers are available from a dealer, both with Saratoga Co. town datelines and Albany S-L's on the cover fronts. How could they be displayed for competition? The consensus was: Show the dateline portions; copy the postal markings in a reduced size format. Even though the post offices for those towns didn't yet exist, they were written in those towns and eventually entered the mails in Albany.

Submitted by John Lange, Sec/Treas.

Pages should be in "mountable" order, numbered progressively on the reverse.

5. All entries must be made on official entry forms and be accompanied by the correct fees. The frame fee is \$8 per 16 page multi-frame exhibit, with a maximum of 10 frames per exhibit. These will be judged on the basis of five levels of awards, and sufficient awards at each level will be placed at the disposal of the judges. Unless otherwise requested, one frame exhibits will be judged by AAPE standards. The grand award will be presented as the "best in show" and become our representative in the next APS "Champion of Champions" at STAMPSHOW in August. Additional special awards will be given exhibits meeting specific criteria at the discretion of the judges. Exhibitors' names will be listed in the program and in post-show publicity. All exhibitors will receive a copy of the exhibition program and Awards Palmares.

Show Closing

14. Exhibits will be dismantled starting at 4:00 PM Sunday, and as a safety precaution, only when all visitors have exited. No exhibit may be removed prior to that time. It will then be released by the Exhibit Committee only when signed for by the exhibitor or his duly authorized representative.

According to the American Stampless Cover Catalog (1997), this fancy straightline from Moriah (Essex County) was used between 1838 and 1841. The example shown is dated from 1839. Moriah was established in 1816 and is still in operation today.

A Gray Area of the Postal Act of March 3, 1845

by Larry Laliberte

At first glance, the cover shown would appear to be a FREE Frank from a member of Congress. The enclosed letter, sent by the Hon. Gilbert Dean concerns his temporarily presiding at a fellow judge's court. It has a docket date of Dec. 11, 1854, and was mailed from Poughkeepsie on the same day.

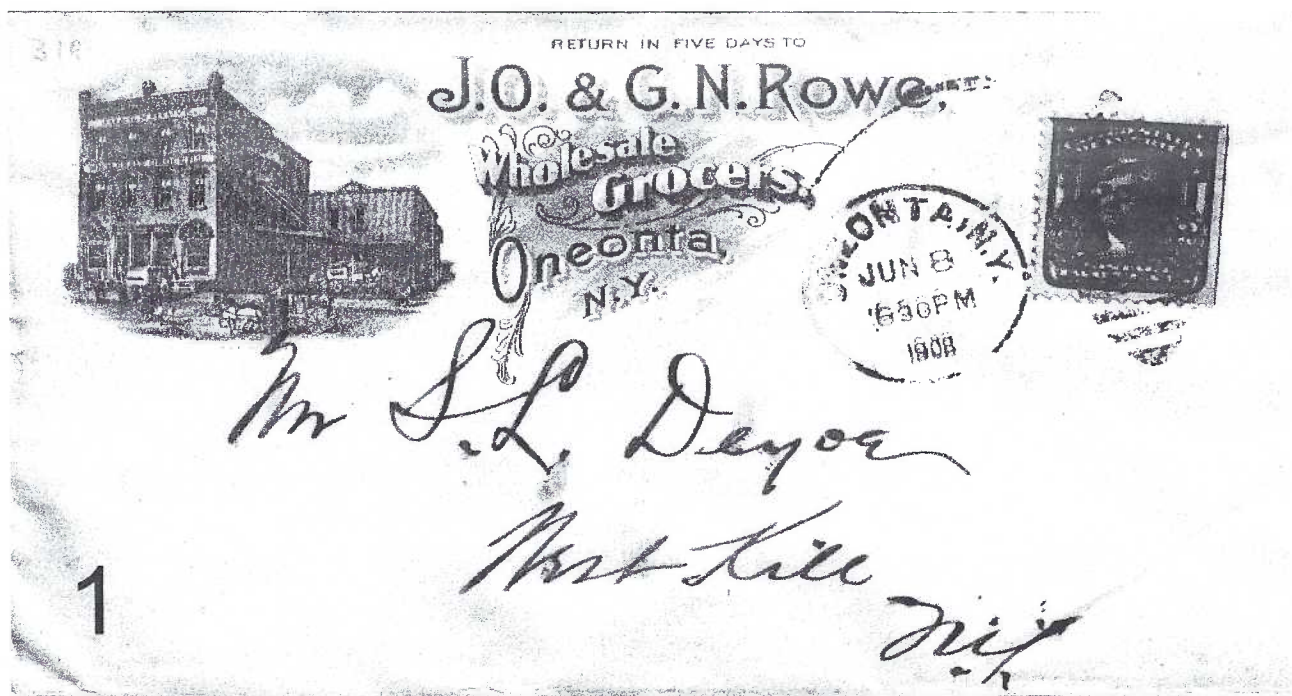

Checking Smith's History of Dutchess County 1683-1882 we find that Dean was indeed a member of Congress elected in 1851 and subsequently reelected. But, Justice of the (State) Supreme Court Seward Barcula died in office on June 7, 1854, leaving a vacancy. Dean was appointed to the position on June 26, 1854, tendering his resignation from Congress in July of 1854.

Referring to U.S. Domestic Postage Rates 1789-1956, the Act of March 3, 1845, repealed the plethora of Free Frank privileges in effect and started over again. Members of Congress and certain other named officials were "...authorized to mail, free of postage, any documents which have been or may be printed by order of either House of Congress, and May during each session of Congress and for a period of 30 days before the commencing and 30 days after the end of each session send and receive through the mails, free of postage, any letter, newspaper, or packet not exceeding 2 ounces in weight, ... "

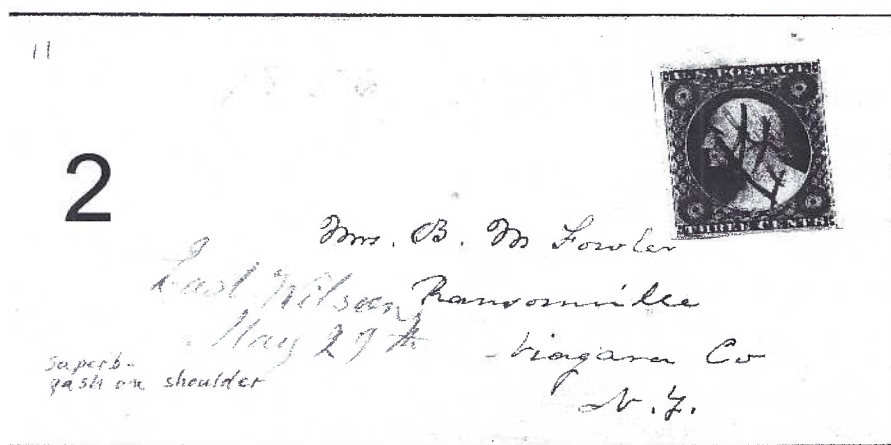

In the case of Judge Dean, five months elapsed from the time of his resignation and the posting of this letter so it doesn't fit under this section either. As one continues to read, the appropriate section that may have been applied comes to fore "they shall have the right to frank written letters from themselves during the full year."

U.S. Domestic Postage Rates 1789-1956, provides only a summary of the laws and therefore still leaves us with the question " as a resigned member of Congress did the one year time period apply?"

If you can find more justification for this Free Frank, let me know at P.O. Box 1311, Carmel, N.Y. 10512
