THE PRESIDENT'S CORNER

Hello all!

Even tho we are well into February, it sure looks like spring is a long way off. But on April 10 the directors meeting will take place at Karrats...it should be spring by then!

The annual meeting will be May 1st at our usual place at Karrats, which is just outside of Utica. In the next Bulletin we will give another notice and give you some directions. If you haven't been to a meeting, you really should give it a try. I am sure you will like it!

We are making progress on the Bulletin. Martin Margulis & Jay Hulbert have agreed to work with the group that will get us back on the track. I am sure you will read a lot more about it in the next issue.

Our Secretary has put out the call for director nominations. If you know of a person willing to put in the necessary work be sure to let him know along with the agreement of the person himself. We have already received, however, three nominations with the necessary seconds for suitable qualified candidates.

By now, you have all received your copy of the Star Cancel Book. Dave Proulx did a wonderful job with this book, as you can see from the results. Thanks to Dave for a great job!

We also have received a great manuscript for a new county study. I hope to be able to let you know the details very soon.

Well, enjoy the poor weather working on your collections. I am looking forward to the directors meeting in April and then the good times at the annual meeting on the 1st of May. See you then!

Jack Haefell
